I'm a dedicated liaison working to provide the best outcomes for Michigan's most vulnerable citizens in the Michigan Legislature.

In my three plus years with the Department, I provided leadership on the Department's and the Administration's legislative and policy goals and objectives. I've developed and managed the passage of over 25 pieces of legislation on behalf of various units. I've established and maintained strategic relationships with Department stakeholders and pride myself on bringing a unique perspective as a skilled strategist.
